Profile Summary

Full-stack developer passionate about creating impactful applications, with experience in web development, charity-focused projects, and collaborative platforms. Skilled in the full development cycle from frontend to backend, with a commitment to agile practices and community-driven solutions.

Education

University of Utah

Web Development Bootcamp | Salt Lake City, Utah

Feb. 2023 - Aug. 2023

Coursework: HTML, CSS, Bootstrap, JavaScript, APIs, jQuery, AJAX, JSON, Progressive Web Apps (PWA), Node.js, Express, React, MERN Stack, SQL, NoSQL, Sequelize, MVC architecture, Agile methodologies, testing (unit, integration), and core CS concepts.

Experience

Sun and Ski Sports

Sales Associate

Jan. 2023 - Present

Shipping and Receiving

March 2022 - Jan. 2023

Managed inventory operations and customer service in high-traffic retail environments, exceeding performance goals and enhancing team workflow through improved logistics.

Projects

Print-A-Smile Foundation Website

Developed a charity platform that enables secure donations through Stripe, supporting a 3D printing initiative that provides toys to children during the holidays. Features user-friendly donation options and showcases project impact.

Personal Website

A responsive, front-end portfolio site developed using HTML, CSS, JavaScript, and GitHub Pages for deployment. Showcases professional projects and skills, achieving streamlined navigation and enhanced UX.

MVC CMS Blog

Full-stack blog application using the MVC architecture, deployed on Render. Built with Node.js, Express, Handlebars, and Sequelize, featuring user authentication, CRUD operations, and RESTful routing, facilitating collaboration and content management.

Technical Skills

Programming Languages: HTML, CSS, JavaScript, SQL

Frameworks/Libraries: Node.js, Express, React, Sequelize, MERN Stack

Databases: MongoDB, Google Firestore

Tools: Git, GitHub, VS Code, Firebase Hosting, Stripe, AWS

Methodologies: Agile Development, Unit and Integration Testing

Extracurricular

Co-Founder, Print-A-Smile Foundation

Established a charity focused on 3D printing toys for children during the holidays, with long-term plans to expand community-driven toy donations.
